

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application. Please add new claims 42-43, and amend claim 35 as follows:

Listing of Claims:

1-34. (Cancelled)

35. (Currently Amended) A system for providing enhanced web-browsing, comprising:

a web server including a data double[[,]] comprising data that identifies a member;

service providers that provide service provider content including services and information;

a personal site that the member uses to access the service provider content; and

an engine that processes the data double and the service provider content to provide relevant and meaningful content to the member through the personal site, the relevant and meaningful content provided to the member responsive to portions of the data provided to the service providers from the web server with permission from the member.

36. (Original) The system of claim 35, where the engine comprises:

identity management that manages the data double to establish a personal profile, member preferences, member permissions, and activity data for the member; and

context management that organizes service provider content, coordinates browsing processes, and provides an adaptive framework.

37. (Previously Presented) The system of claim 35, wherein the personal site comprises:

smart pages, comprising:

a log in page;

a home page; and

an adaptive framework, comprising:

selection navigators; and
a toolbar.

38. (Original) The system of claim 37, wherein the selection navigators provide direct page searching comprising:

a fixed hierarchal structure listing a web site's areas with sections and pages;

an explicit SQL criteria search, whereby the selection navigators gather and dynamically assemble web sites meeting the criteria; and

a group SQL criteria, wherein the selection navigators store the criteria, gather and dynamically assemble web sites meeting the criteria and update the web sites when new content is found meeting the criteria.

39-41. (Cancelled)

42. (New) The system of claim 37, wherein the member's identity is not disclosed to the service provider.

43. (New) The system of claim 37, wherein the service provider is provided with all of the data that comprises the data double.
